

weDialogue and the World Cafe invite you to join us in

CONVERSATIONS *for the 21st Century*

a series of free, interactive online events designed to stimulate collective innovation & new patterns of thinking about the issues that matter most to us today

First in the Series: APRIL 1st, 2011

“Community for the 21st Century”

with “conversation starters” Peter Block, Nancy White, Maria Scordialos & Sarah Whiteley*

What is community in 2011?

Each of our conversations starters are deeply engaged in the art and practice of community; together they bring a diverse set of perspectives to seed a conversation about what’s possible in community today. Come prepared to engage!
